Blends - Agvance SKY Customer

Last Modified on 07/06/2026 3:50 pm CDT

On the *Blends* tab, a listing of all Blend Tickets for the selected Customer is displayed. Use the *Search* field to search for Blends by *Ticket #*, *Ticket Date*, *Loaded Date*, or *User*. Full or partial dates can be searched.

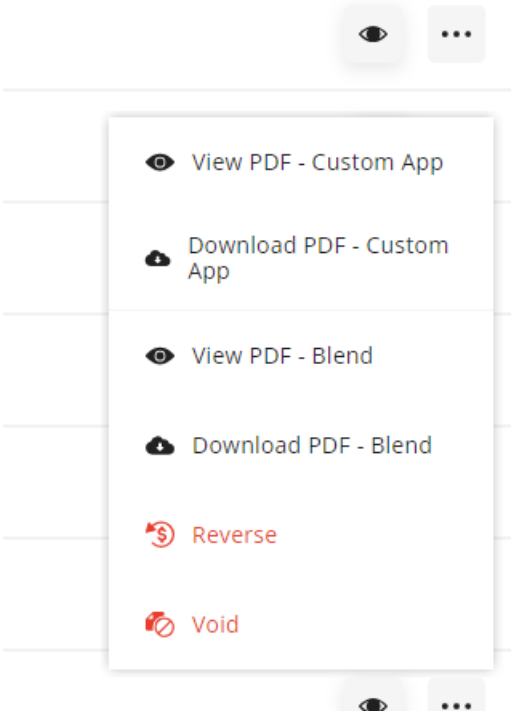

Blends can be started on the *Fields* tab in the *Fields*, *Tanks*, ... area of Agvance SKY Customer. For more information, see **Fields - Agvance SKY Customer**.

Use the **Filters** at the top to filter by *Crop*, *Status*, and/or *Date Range*.

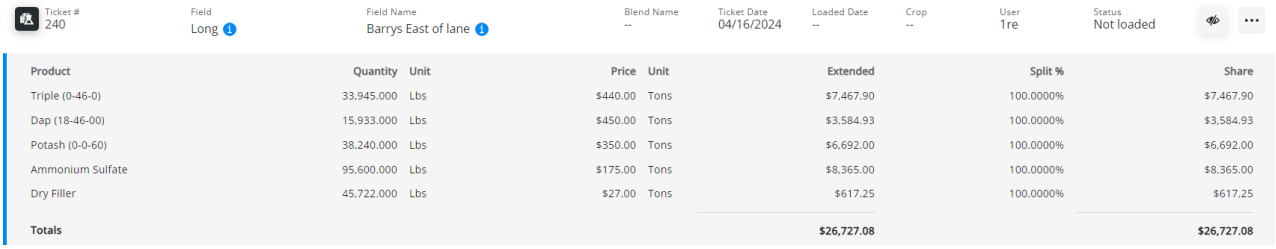

Selecting the **Ellipsis** on the search bar gives the option to view Blends by *Ticket* or by *Product*.

Select the **Ellipsis** button for a Blend to *View PDF - Custom App*, *Download PDF - Custom App*, *View PDF - Blend*, *Download PDF - Blend*, *Reverse*, or *Void*.

Selecting the **Expand** icon provides additional information.
