Delivery Tickets are used to record inventory movement prior to the billing step. Use the *Search* field to filter Delivery Tickets by *Ticket #*, *Ticket Date*, or *Loaded Date*. Full or partial dates can be searched.

Select the **Ellipsis** icon to *View PDF*, *Download PDF*, *Reverse*, or *Void*.

Select the **Expand** icon to view additional details regarding that Delivery Ticket.

Add a Delivery by selecting the blue **+ Add Delivery Ticket** icon in the lower right corner. For more on this process, see **here**.
