Indicate favorite products, customers and locations by selecting **Tools** in the Warehouse app. Selecting **Container Activity** navigates to the Contain app where refillable container activity is recorded.

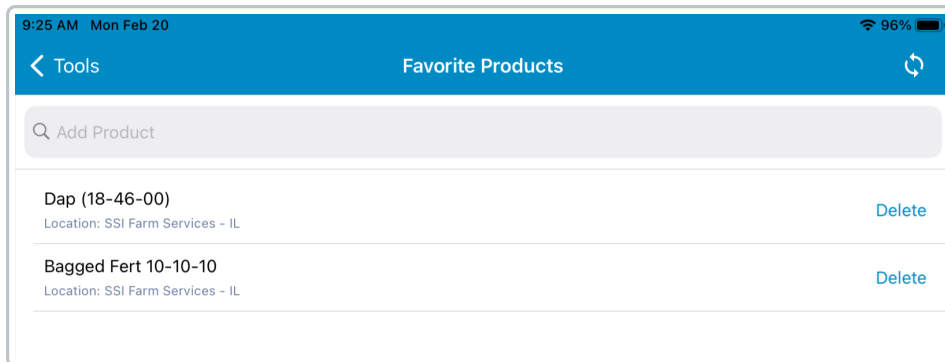

Favorite Products

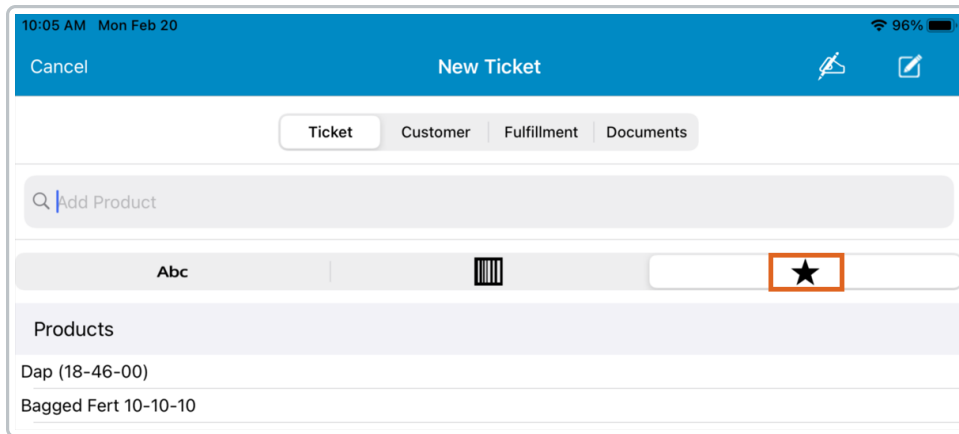

Create a list of *Favorite Products* in Warehouse.

To add a product to the *Favorite Products* list, use the *Search* bar to locate the product. Selecting the product adds it to the *Favorite Products* list.

To remove a product from the list, select **Delete** and the *Favorite Products* list is automatically updated.

These products are then available by using the **Star** icon on any *Product Selection* window throughout the app. Favorites added are only available to the user who added them.

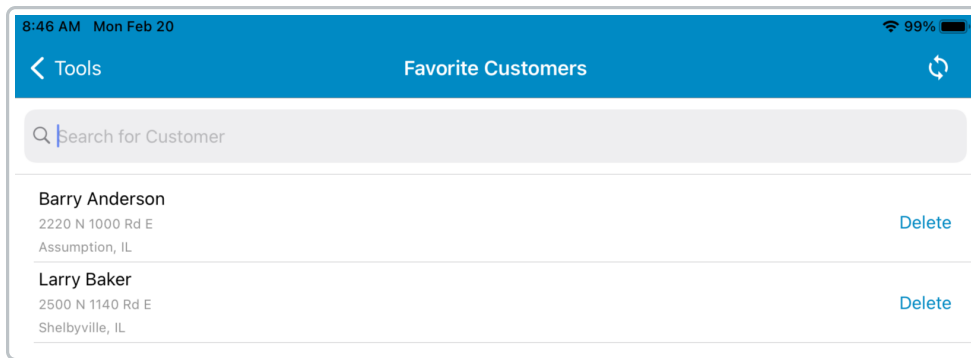

Favorite Customers

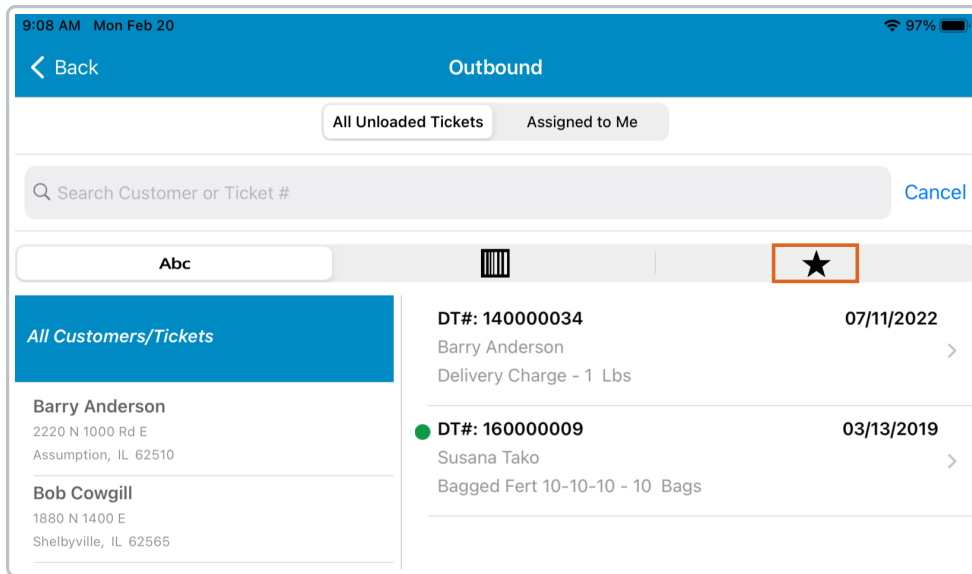

Create a list of *Favorite Customers* in Warehouse.

To add a customer to the *Favorite Customers* list, use the *Search* bar to locate the customer. Selecting the customer adds them to the *Favorite Customers* list.

To remove a customer from the list, select **Delete** and the *Favorite Customers* list is automatically updated.

These customers are then available by using the **Star** icon on any *Customer Selection* window throughout the app. Favorites added are only available to the user who added them.

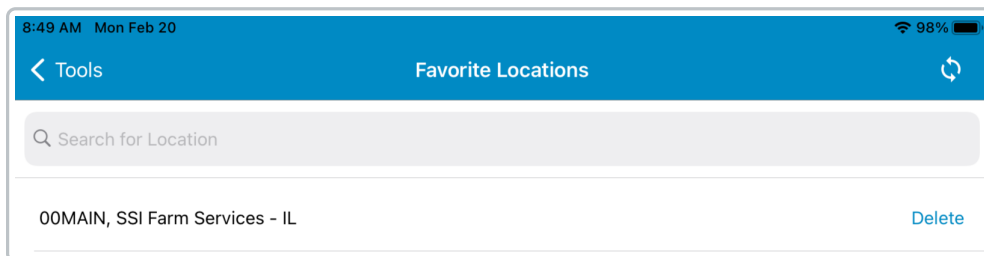

Favorite Locations

Create a list of *Favorite Locations* in Warehouse.

To add a Location to the *Favorite Locations* list, use the *Search* bar to find the Location. Selecting the Location adds them to the *Favorite Locations* list.

To remove a Location from the list, select **Delete** and the *Favorite Locations* list is automatically updated.

These Locations are then available by selecting the **Star** icon. Favorites added are only available to the user adding them.
