Description

The Location Bookkeeper course familiarizes those new to Agvance with best practices for Accounts Receivable and Inventory transactions as well as related reports. This class is packed with hands-on exercises giving each participant the confidence to apply this knowledge in their work environment. The topic of Accounts Payable will not be covered in this course. It is not a necessity to have an understanding of Accounts Payable to take this course. If you have a need, a link to an eLearning course containing this information is available.

[Accounts Payable Basics](#) (e-Learning, 1- hour, learning can be customized and shortened by only completing needed topics)
