The Product Rebate report can be filtered to only show restricted use products.

1. On the Product Rebate report at *Accounting Reports / Accounts Receivable / Sales*, select the *Show Detail* checkbox.
2. Indicate the *Date*, *Invoice #*, or *Fiscal Month* range for the report.
3. Sort the report by *Product by Customer*.
4. Choose the **Filter** button.
5. Set the *Restricted Use* combo box to *Yes*.

6. Select **OK** to run the report.
