

Pricing Labels for Shelving Units

Last Modified on 12/22/2022 1:27 pm CST

Agvance has an alternative product label for use with shelving units that displays the product name and price more prominently than our standard labels. The dimensions of the labels are 1.25" tall by 2" to 3" wide. These new labels have been designed for use with the Perforated Card Sheet # SL12X3 (1.25" X 3"), manufactured by Shelf Tag Supply. Contact information is listed below.
