## Add/Edit a Merchant

Add or edit the Merchant at *Accounting / Setup / A/R / JDC Setup / Setup / Merchant Numbers*. Select *JDF Canada* if the Merchant is in Canada. For companies operating in Quebec, select *In Quebec*.

Selecting *In Quebec* displays a *JDC Disclosure (French)* option. If a customer prefers French and a JDF Disclosure is not received from JDF during a transaction, the text in this section prints on the Payment Receipt and Quick Ticket receipt.

**Note:** See the customer setup section for information on specifying French.
