## Support Hub

View open Support Tickets, review past tickets, and add new tickets all from the [Support Hub](#)! Tickets entered through Support Hub show up immediately in our ticketing system and the Support Team answers questions as quickly as possible. Easily track and monitor the status of a ticket and request updates as necessary.

With Support Hub, look back at ticket history to review previously answered questions anytime. Export and analyze ticket history data to monitor the areas where you or your staff may require a little extra training for improved efficiency.

Additionally, Support Hub boasts other unique capabilities:

- Search past tickets by keyword or phrase.
- Record your screen on a ticket submission to capture the Agvance issue requiring assistance.
- Navigate to our Knowledge Base articles for assistance with common Agvance questions.

Are you interested in using Support Hub? Sign up at <https://support.agvance.net> and select **Create an Account** or contact our Support team at [support@agvance.net](mailto:support@agvance.net).
