Sending Data via LeapFILE

Last Modified on 08/07/2025 12:10 pm CDT

SSI uses LeapFILE to send and receive data files in a safe and secure environment. When sending data files to SSI, the following steps should be followed. This process automatically initiates an email to the SSI Team, alerting them when a file has been submitted.

Sending Files to SSI

An email which includes the LeapFILE link will be sent from the SSI Support representative.

1. Select the link provided in the email (https://agvance.leapfile.net) to display the Agvance Secure File Exchange window.

Secure File Exchange

Welcome to the SSI, LLC Secure File Exchange. You can use this service to send us files or to receive files from us. All transfers are confidential and SSL encrypted.

SECURE UPLOAD Send files to SSI, LLC.

SECURE DOWNLOAD Download files sent to you by SSI, LLC. Please have your download tracking code ready.

FILE PORTAL Browse and download files. A guest account is required.

Employee Login - PRIVACY POLICY - SECURITY STATEMENT - Copyright @2025 LeapFILE. All rights reserved.

- 2. Select Secure Upload to begin the upload process.
- 3. On the Secure Upload window, enter the recipient email of datateam@agvance.net and select Start.

Secure Upload
Enter the email of the recipient for this transfer
Recipient Email
Start

4. In the window that displays, enter your Company Name, Email Address, Subject for the email and a brief Message/Description. Be sure to include the intended recipient (SSI representative) in the Message/Description.

Receiving Files from SSI

When SSI sends files to be downloaded, two emails will be sent through LeapFILE.

	All	Unread	By Date 🗸	\uparrow	
~	Last \	Veek			
	LeapFILE Secure File Transfer Service Agvance data files[Attachment Download] **External E-mail**		Thu 09/17	7	
	Agva Tomm	nce data files ny, Attached is the file related to the project we are working o	Thu 09/17	7	
\sim	Last I	Nonth			

The first email is a standard email which does not include an attachment. Instructions regarding the second email are outlined in this message.

Agvance data files

5 (%) → Thu 09/17

Tommy,

Attached is the file related to the project we are working on together. Please review the file and let me know if you have any questions.

File Attachments

Leapfile Test File.txt 34 B

Instructions:

Unlike regular email, attachments are delivered by LeapFILE for reliability and security. Please check your inbox for the [Attachment Download] email with secure download link.

Q: What if I don't receive the attachment download email?

A: Please check your spam folder. It might have been mistakenly filtered. The attachments also might still be uploading. You will receive the attachment download email as the soon as the files are ready.

Email Attachment Delivery Powered by LeapFILE

The second email has a sender name of *no_reply@leapfile.com* and includes [*Attachment Download*] in the subject line. This email contains the link to download the attachment as well as a message from the sender.

Agvance data files[Attachment Download]

- 1. Select the provided link to open the Agvance LeapFILE web portal.
- 2. Enter the email address of who is requesting the file, then select Authenticate.

IMPORTANT: Save all files to your computer first, do not open!. Once done they may be automatically deleted.

Helpful Hints

If you have the option of saving the file or opening it in an application, choose save the file.
Download each file individually or get everything at once in a single ZIP file. Use "ZIP ALL" for best results. If you can't open the ZIP files, install WINZIP (Windows) or STUFFIT (Mac).
