Grower360 Divisions - Agvance SKY Admin

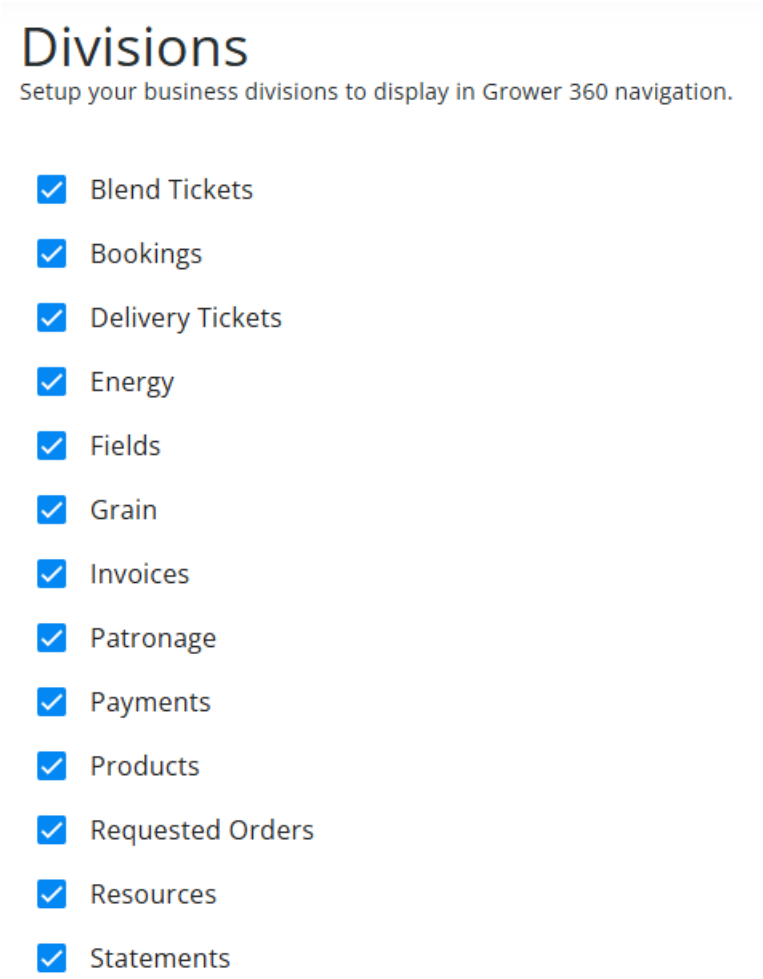

Last Modified on 07/06/2026 2:24 pm CDT

Divisions can be determined at *Agvance SKY Admin / Grower360 / Administrative Tasks*.

To see a video of Grower360 Setup in Agvance SKY Admin, see **here**.

Set up the Divisions to display in the Grower360 menu navigation. This is a company-wide setting and will be available to all Grower360 users within a company.

Setting up the following business divisions allows those selected to display in the Grower360 menu navigation:

- Blend Tickets
- Bookings
- Delivery Tickets
- Energy
- Fields
- Grain
- Invoices
- Patronage
- Payments
- Products
- Requested Orders
- Resources
- Statements
