

# Grower360 Patronage - SKY Admin

Last Modified on 02/27/2024 3:43 pm CST

 **Patronage**  
Manage stock classification types in Grower 360  
[SETUP](#)

Stock Classification types for Grower360 can be managed by selecting **Setup** on the *Patronage* card found under Grower360 in SKY Admin.

Patronage		
<input checked="" type="checkbox"/>	Classification Classification 1	Type <a href="#">Equity</a>
<input checked="" type="checkbox"/>	Classification Classification 2	Type <a href="#">Investments</a>
<input type="checkbox"/>	Classification Classification 3	Type <a href="#">Select</a>
<input type="checkbox"/>	Classification Classification 4	Type <a href="#">Select</a>

Toggling a Classification on displays that classification on the *Patronage* page of Grower360. If a Classification is toggled on, it will only be visible to growers with a record for that Classification. To adjust the Classification, choose *Select* under the *Type*, choose from *Equity*, *Investments*, or *Stock* on the *Stock Classification Type* window, then select **Save**.
