

Grower360 Account Reports - SKY Admin

Last Modified on 12/30/2024 11:02 am CST

Account Reports setup is available in SKY Admin under Finance and Reports.

Accounts Reports

Set up criteria for reports available in Grower360.

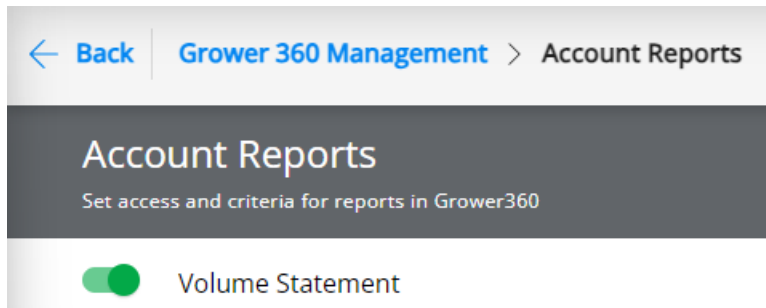

[SETUP](#)

Volume Statement

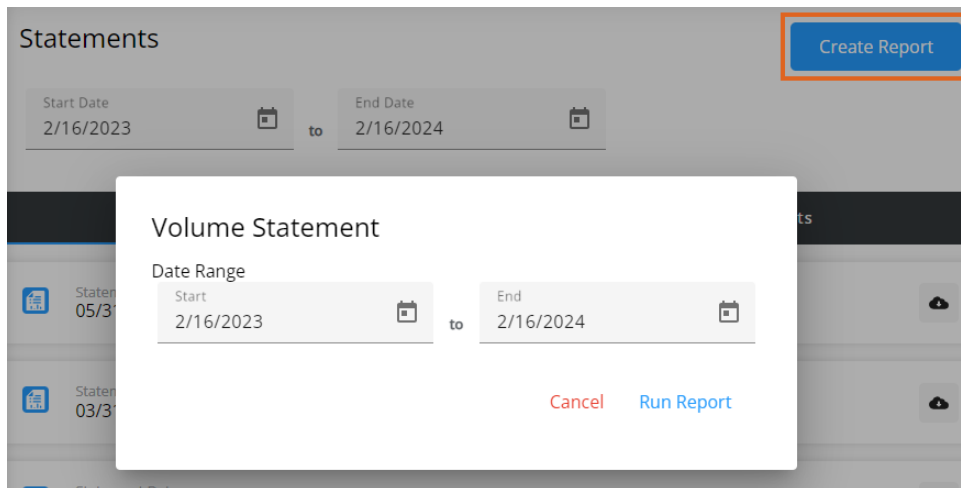

Note: Agvance Version must be at least 6.0.18420.

1. Turn on the *Volume Statement* report and set the report criteria.

Note: Header or footer information should be saved on the *Agvance Report Criteria* screen and will be picked up when the report is run. If header and footer messages are already in Agvance, the information will display when the Grower runs the report.

2. In Grower360, Growers will need to go to *Statements* and select **Create Report**. Select the *Date Range* and choose **Run Report** then **Download**.

Note: Date ranges can extend over prior fiscal years.

3. The report will open in its own tab.
