

Delete Aged Product Quotes

Last Modified on 10/26/2022 7:59 am CDT

Delete aged product quotes by customer at *Hub / Utilities / Delete Aged Product Quotes*. The quotes for the customers selected that expire on or before the date entered display. Once displayed, a checkbox is available to mark indicating the quotes to delete when **Continue** is selected. It is always a good idea to create a database image prior to purging data.
