

Units of Measure Conversion

Last Modified on 02/02/2024 7:59 am CST

Navigate to *Hub / Setup / Unit of Measure Conversion*.

The *Foreign Unit* multiplied by the *Conversion Factor* equals the *Agvance Unit*. The *Agvance Unit* divided by the *Conversion Factor* equals the *Foreign Unit*.

This tool can be used to convert units of measure from EDNs.

Add a UOM Conversion

Description:

	Foreign Unit	Agvance Unit	Conversion Factor	Classification	Divide
1	GL	Gal	1		<input type="checkbox"/>

When Divide is checked:
Foreign Unit / Conversion Factor = Agvance Unit
Agvance Unit * Conversion Factor = Foreign Unit

When Divide is unchecked:
Foreign Unit * Conversion Factor = Agvance Unit
Agvance Unit / Conversion Factor = Foreign Unit
