Tasks and Notifications - Agvance SKY Admin

Last Modified on 07/06/2026 2:51 pm CDT

Optionally turn on the *Enable Tasks and Notifications for my company* option in Agvance SKY Admin under *Task Center* to receive notice of *Plan Approvals*, *Service Requests*, *Energy Order Requests*, *Booking Contract Signed*, *Grain Purchase Contract Signed*, *Prepayments*, and *Payment Failures*.

Subscription settings for each task and notification can be set up by adding rules. More information on these subscriptions can be found **here**.

Notifications can be viewed in the Task Center by selecting the**Notifications** icon in Agvance SKY. More information on the Task Center can be found **here**.
