Create verbal quotes on Customer profiles for reference.

1. In the Hub or Accounting module, navigate to *File / Open / Customers*.
2. Select the Customer and choose **Edit**.
3. On the *Edit a Customer* window, select the **Quote** button.
4. If a quote exists for the Customer, a window displays listing the available quotes. Choose **Add** to create a new quote. If no quotes previously existed, a window automatically displays to create a new quote.

Note: To edit existing quotes, highlight the appropriate line and make any edits in the area below. Select **Edit All** to make changes to all quotes or add additional line items if needed. Once finished, select **Save**.
