

Import Scale Ticket - VRT Product

Last Modified on 02/21/2022 11:19 am CST

1. Navigate to *Blending / File / Open / Blend Ticket*.
2. On the *Select a Blend Ticket* window, choose the desired Blend Ticket and select **Edit**.
3. Right-click **Edit to Actual**.
4. On the *Import Scale Interface Records* window, select the **Gray Rectangle** icon after the *UOM* column for the desired line item to import a product specific Scale Ticket.
5. On the *Select Scale Tickets* window, choose the Scale Ticket to import and select **Done**.
Note: Only Blend Ticket (VRT) type Scale Tickets that were associated with this Blend Ticket populate in the list unless the filters are removed.
6. The sum of the net weights of the selected tickets populates the *Done* column for that product's line item in the *Import Scale Interface Records* window.
7. Choose **OK** to return to and complete the Blend Ticket.
