

Sales by Quantity Dashboard

Last Modified on 11/16/2022 2:28 pm CST

Purpose

The Sales by Quantity dashboard displays sales by quantity categorized by *Product*, *Salesperson*, *Customer*, *Location*, *Department/Inventory Unit* and *Fiscal Year*.

Details

Each section on the dashboard can act as a filter and multiple areas can be filtered at the same time.

The + and - symbols can be used to drill into *Fiscal Month* on the *Sales by Fiscal Year* section.

Location reflects the location the Invoice was created.

*Inventory Unit of ** indicates mixed units of measure are included.
