# Vendor Products Purchased Dashboard

Last Modified on 10/02/2024 12:08 pm CDT

This dashboard is based on data from a scheduled extract that occurs daily and honors User restrictions based on Product Location.

## Product

The Products Purchased dashboard shows the total purchased by dollar amount for various dimensions.

## Details

Data within individual worksheets can be selected to filter the dashboard.

The dashboard is based on non-voided Purchase Invoices.

The *Total Purchase Dollars* information includes the line item extension AND add-on charges that are set to be included in the Vendor Bill, as well as actual freight costs.

- **Products Purchased by Department** – Displays total dollars purchased based on the Department selection. Options are *Sales Class*, *Category*, or *Department Name*.
- **Products Purchased by Location** – Displays total dollars purchased based on the Department Location.
- **Products Purchased by Manufacturer** – Displays total dollars purchased by Product Manufacturer.
- **Products Purchased by Fiscal Month** – Displays total dollars purchased by fiscal month.
- **Product Purchased by Vendor** – Displays total dollars purchased by Vendor.
- **Products Purchased** – Displays total dollars purchased by Product. Only the top 10 Products are displayed.
