

# Grower360 Recent Activity

Last Modified on 05/09/2024 1:11 pm CDT

The most recent Payments, Invoices, Scale Tickets, and Field Applications on the customer's account can be quickly reviewed. Selecting **See More** on any of the grids displays additional transactions.

If the *Grain, Fields, Payments, and/or Invoices* Divisions are turned off in SKY Admin, the *Scale Tickets, Field Applications, Payments, and/or Invoices* tabs will not display in the *Recent Activity* section of the *Grower360 Overview* page respectively. If all four of these Divisions are turned off, the *Recent Activity* section will not be displayed at all.
