Last Modified on 02/11/2025 2:59 pm CST

## Viewing Payments

A listing of all payments made toward the customer's account can be viewed from the *Payments* menu. This includes both Regular Invoice payments and Prepay applied towards the account.

Use the *Search* field to search by *Payment #*, *Reference #*, or *payment Type* (Regular, Prepay, or Budget). Using the *Search* field filters the data down by matching results.

Filter the data further by using the *Date Range* filters to display results for payments with a payment date within the selected date range. The *Date Range* filter can be utilized in conjunction with the *Search* feature.

Select the **Calendar** icon on the filter and choose a date from the calendar that displays. Or, select in the *Date Range* fields and key in the desired start and end dates. Choose **Apply Filters** when finished.
