The *Products* page displays a list of products purchased by the grower and provides access to product detail including total cost sums and Invoices.

Search

Products can be searched and/or filtered by using the *Search* field at the top of the page. Leaving *Search* blank will search for all products purchased within the *Date Range*.

The *Subtotal*, *Total Tax*, and *Total Cost* of the filtered products display at the bottom of the page.

The screenshot shows the 'Products' page interface. At the top, there is a search bar with a 'Filters' button and a search icon. Below the search bar, it indicates 'Filtered by' with a date range: 'Date Range: 07/01/2023 - 07/31/2023'. An 'Export' button is visible on the right. The main content area displays a table with one product entry:

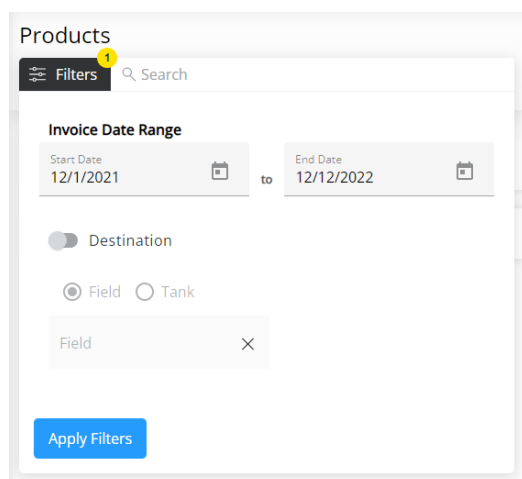

Product	Quantity	Cost
Product Bagged Fert 19-19-19	3,000 Bags	\$225.00

At the bottom right, a summary box shows the following totals:

Subtotal	\$225.00
Total Tax	\$0.00
Total Cost	\$225.00

Filter

Products can be filtered by Date Range using the *Date Range* fields at the top of the page. The date defaults to the current month. Optionally, products can be filtered by *Field* or *Tank* when the *Destination* toggle is on. The *Total Cost* for the resulting products displays at the bottom of the page.

The screenshot shows the 'Products' page with the filter dropdown menu open. The 'Filters' button is highlighted with a yellow circle and the number '1'. The dropdown menu contains the following options:

- Invoice Date Range**: Start Date 12/1/2021 to End Date 12/12/2022
- Destination**: A toggle switch is turned on.
- Field or Tank**: Radio buttons for 'Field' (selected) and 'Tank'.
- Field**: A text input field containing 'Field' with a clear button (X).
- Apply Filters**: A blue button at the bottom of the dropdown.

The filters selected display below the **Filters** button.

The resulting file contains the *Product Description*, *Quantity*, *Unit of Measure*, *My Share*, *Field Id*, and *Tank Sn*.

Products

The *Product Details* grid displays the *Product*, *Field Id*, *Tank Sn*, *Quantity* purchased, and *Cost* (product cost for the customer's share).

Selecting a product from the grid displays the *Product Detail* page, where Invoice details for the selected product can be viewed. A separate line for each Invoice loads on this page along with the *Invoice#*, *Invoice Date*, *Quantity*, *Tax*, *Product Subtotal*, *Prepay*, and *Invoice Total* for each Invoice line. A PDF of the Invoice can be viewed or downloaded by selecting the **Blue Cloud** icon on the Invoice line.
