View Tickets	View Offers	View Contracts	View Checks

- **Scale Tickets** – Delivered grain can be viewed by Scale Tickets, Commodity, or Assembly Sheets. Reports can be generated.
- **Grain Offers** – Open Grain Offers can be viewed and new Grain Offers can be created. This is only available when Barchart is set up.
- **Contracts** – Grain Contracts can be viewed by disposition and Contracts can be signed.
- **Settlement Checks** – Settlement Check information can be viewed and downloaded.

Grain contracts which are ready to sign are available under the *Contracts to Sign* section. Contract types available here include Purchase and Settlement Contracts. The Grower will receive a notification via email (if set up) or within Grower360 when a contract is ready to sign which will include a link to the contract.

Creating Reports

When a report is toggled on *SKY Admin / Grower360 / Operations / Grain / Grain Reports*, the **Create Report** option is available in the upper-right hand corner of the *Grain* menu in Grower360.

Note: The Grain Bank Statement report is only available for STLM Grain companies.

Selecting **Create Report** displays the *Report Setup* window.

The desired report can be selected from the *Report Type* drop-down. Under *Report Criteria*, choose the appropriate *Farm*. A *Date Range* and *Report Style* must also be selected. Selecting **Run Report** opens the report in a new browser tab.
