Print Translucent Crop Zone Maps

Last Modified on 05/23/2024 9:55 am CDT

In Agvance Mapping, select a Field to display, then go to File / Print / Report Books.

In the *Report Books* window, highlight the *New Report Book* heading, and then select the **Open** icon. In the *Report Book Configuration* window, select the Crop Zones to include in the report.

Select crop zones	Select pages to include for each grower
✓ Aflaffa ✓ Apples ✓ Apples ☑ Barley Ø Broccoli ✓ Corn Silage ✓ Cotton ☑ Grapes ✓ Hay ✓ Lettuce Ø Peanuts ✓ Potatoes ✓ Supflower ✓ Tomatoes ✓ Wheat-Hard ✓ Wheat-Soft	Unselected: Application Summary Cost Summary Crop Insurance Info Summary Crop Zone Overview Map Crop Zone Overview Map Crop Zone Slist by Farm Estimated Profit Summary Farm & Field Overview Map Field Overview Map Field Overview Map Field Overview Map Field Summary Field Summary Nematode Test Sampling Map Nitrogen Test Sampling Map

This report can be created at the *Grower*, *Farm*, or *Field* level. At the top center, select either the *Grower*, *Farm*, or *Field* tab. Select *Crop Zone Overview Map* in the *Unselected* column, then choose the **Right Arrow** button to move the map to the *Selected* column.

In the far right panel of the *Report Book Configuration*, select the *Options* tab, and select *Custom Appearance*. Set the *Theme By* to *CropZoneName*. Optionally, select the *Top Label* and *Bottom Label*.

Select the *Map* tab in the far right panel, and choose the *Override Book* option. Select the necessary *Map Content*. Select the *Force Translucent* checkbox, and set the *Translucency* to the desired results.

Options Map			
☑ Override Book			
Map Content			
☑ Imagery ☑ Roads			
Selected Field Boundary Neighboring Boundaries			
Attachments Dimension Attachments			
Force Translucent			
Translucency: 85 \vee (%)			
Label Mode: Default v			
Default Extent			
Zoom to: Field \checkmark			
Zoom out additional: 2 v (%)			
Scale Limits			
You can prevent the map from zooming in or out too far by assigning minimum and maximum acceptable scales. Minimum:			
Maximum: 0 v (feet/inch)			
Adornment Layers <u>Center Point Data</u> Twp Rng Sec Township Name County Name Lat Lon			

To save the report for future use, select **Save As**. Enter a *Name* for the Report Book and set the other options as needed.

Save Report Book		
Name:	Crop Zones Translucent	
Company:	<all> ~</all>	
Territory:	~	
Location:	~	
Grower:	~	
	V OK Cancel	

When finished, choose **Run** to process the report. The *Crop Zone Overview Map* displays with translucent crop zones.
