Message Line X in Prices Grid Does Not Tie Out for Customer #Y

Last Modified on 12/20/2022 4:38 pm CST

Q. I am getting a message 'line 6 in prices grid does not tie out for customer #1' on the save of Blend Ticket.

A. Clicking on the **Recalc using Unit Price** button on the *Prices* tab of the Blend Ticket or Field Plan will update the total price for each line item on the transaction.
