There are several scenarios that may produce different results on the Custom Application printout.

When a 3rd party Applicator is selected and follows the rules indicated below, the information printed on the Custom Application sheet will include *Name*, *Address1*, *City*, *State*, *Zip*, *Phone1*, and *Phone2*. Slashes will not be included if the information is not populated.

These various scenarios are explained below.

## Scenario One

If only a 3rd party Applicator is selected, that information will print below the Applicator Signature.

**Lbs/Acre: 2000.0 Lbs/Gal: 10.62 Gal/Acre: 188.35 Gal/Batch: 927.61 Acre/Batch: 4.925**

## Scenario Two

If a non-3rd party Applicator is selected on the ticket, the Applicator's license number/expiration date is displayed to the right of the Applicator's Signature line.

### Scenario Three

If a 3rd party Applicator and a non-3rd party Applicator are selected as applicators on the same job, the information for the 3rd party Applicator will print below the Applicator Signature. The non-3rd party Applicator's license number/expiration date will display to the right of the Applicator's Signature line.
