## Supplier XML Message Name

When working with Suppliers, there may be times when a feature is referred to by the Supplier name rather than the Agvance name.

The table below lists various Agvance Seed and CPP features and the Supplier's corresponding name. For instance, in Agvance a Purchase Order is created for CPP, which is referred to as Order Create by Winfield.

Agvance Feature	Supplier XML Message Name				
	Seed				
	Winfield	Bayer	Corteva	Syngenta	AgReliant

Price Sheet	Price Sheet	Price Sheet	Price Sheet		
PAL - Product Availability Listing	PAL	PAL	PAL	PAL	
Grower Order	Order Change	Order Change	Order Change	Order Change	
Grower Order Reconciliation	Product Booking Summary	Product Booking Summary	Product Booking Summary	Product Booking Summary
