- P.O. Electronic Purchase Orders

## Supplier XML Message Name

When working with Suppliers, there may be times when a feature is referred to by the Supplier name rather than the Agvance name.

The table below lists various Agvance Seed and CPP features and the Supplier's corresponding name. For instance, in Agvance a Purchase Order is created for CPP, which is referred to as Order Create by Winfield.

Agvance Feature	Supplier XML Message Name					
	Seed					
	Winfield	Bayer	Corteva	Syngenta		
Price Sheet	Price Sheet	Price Sheet	Price Sheet			

PAL - Product Availability Listing	PAL		PAL	PAL
