

# Bar Code Scanners

Last Modified on 03/14/2023 3:50 pm CDT

Bar Code Scanners are alternative keyboard entry devices. Most bar code scanners should be able to read barcodes created in Agvance.

Two options are:

- Opticon by American Microsystems, LTD - [www.amltd.com](http://www.amltd.com)
- PSC Duet Dual Scan Kit - [www.systemid.com](http://www.systemid.com)
