

# Print Heading on AME Ticket

Last Modified on 03/28/2025 12:17 pm CDT

In Agvance Mobile Energy, drivers may choose to print the Company Information or the current Location information in the header of the Energy Ticket.

In Agvance Mobile Energy, select the **Setup** button and then choose the *Printer* tab.

Agvance Mobile Energy

The screenshot shows the 'Printer' configuration window. At the top, there are two tabs: 'General' and 'Printer', with 'Printer' being the active tab. The main area contains several settings: 'Print To' is a dropdown menu set to 'Epson'; '# of Copies' is a numeric input field set to '1' with 'Ticket' as a label; 'Print Heading' has two radio buttons, 'Company' (selected) and 'Location'; 'End of Day Report' is a dropdown menu set to 'Summarized'; and there is an unchecked checkbox labeled 'Print Signature Line on Ticket Printout'. At the bottom left is a 'Version Data' button, and at the bottom right are 'Save' and 'Cancel' buttons. The window title bar at the very bottom shows the time as 2:31 PM.

In the *Print Heading* area, choose *Company* or *Location*. If *Company* is selected, the information found at *Hub / Setup / Company* will be printed. If *Location* is selected, the information for the current *Location* found at *Accounting / Setup / Locations* will be printed.

Select **Save**.

This preference is set per User and remains until the setting is changed.
