Print Heading on AME Ticket

Last Modified on 03/09/2022 10:55 am CST

Overview

In Agvance Mobile Energy, drivers may select to print the company information or the current location information in the header of the Energy Ticket.

Setup

In Agvance Mobile Energy, click the **Setup** button and then the *Printer* tab.

In the *Print Heading* area, select to print *Company* or *Location* information on the ticket. If *Company* is selected, the information found at *Hub / Setup / Company* prints. If *Location* is selected, the information for the current location found at *Accounting / Setup / Locations* prints. Click **Save**.

This preference is set per user and remains until the setting is changed.
