

Mobile Energy - Adding Favorite Products

Last Modified on 12/06/2024 3:58 pm CST

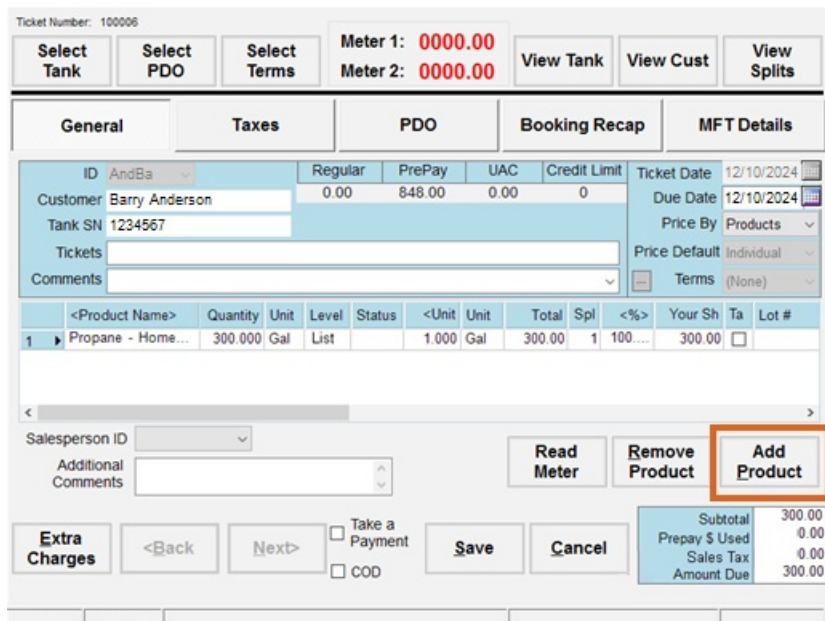

Select the **Single Ticket** button.

Select any Customer. This does not affect the Product that is favored.

Select the **Add Product** button.

On the *Search* tab, resize columns as needed, and enter the Product name to be favorited in the *Value* column on the

ProdName row. Select Search button.

Shift in Progress - Demo Mode

Search Favorites

Field	Search	Value
