Select the Split option. Click OK.

The current booking(s) you have selected does not fulfill the total dollars needed for this item. Please select one of the following options below:

- SPLIT- Split out the quantity of the line item that is not fulfilled by the selected booking and charge the remaining amount at the current list price.

- PARTIAL - Use the booked price for the whole quantity of the item but show an amount due on the ticket for the partial amount not covered by prepay dollars.

- STEAL - Use money from other prepay bookings to satisfy this line item. This option will require you to select the booking(s) you wish to use and that they have enough \$ to cover what is required.

OK

Cancel

The result is two lines; one line at the booked price, the other line is at List Price. This price may be changed if needed.
