

# Memo Invoices - SKY Customer

Last Modified on 05/19/2022 4:22 pm CDT

Memo Invoices are tied to Budget Billing in the Energy module. Memo Invoices are a request for a monthly payment but do not affect the customer's balance, inventory, or the G/L.

Use the *Search invoices* field to filter Invoices by *Memo Invoice #*, *Invoice Date*, *Due Date*, *User*, or *Status*.
