

# Grower360 Custom Futures URL - SKY Admin

Last Modified on 02/27/2024 3:45 pm CST

Companies can choose to redirect growers to their own Futures Cash Bids page.

To do this, select the + button next to *Custom Futures URL* under *Grower360* in SKY Admin in the *Integrations* section to enter a URL redirecting Growers to Futures information.

Custom Futures URL

Custom Futures URL

Cancel

Save

Choose the **Pencil** button to edit the URL if needed. If at any time the link needs removed, the toggle can be turned off but the URL will be retained.

Custom Futures URL

Once a URL is saved and the toggle is turned on, Growers will see a link to View All Futures on the top of the Cash Bid card in Grower360.
