

Scale Ticket Dates and Times

Last Modified on 07/20/2022 4:29 pm CDT

Purpose

Scale activity includes all inbound tickets including Commodity Transfers. The *Ticket Date* shows the first time the Scale Ticket is weighed. The *Ticket Time* is illustrated in military time with 12:00 being noon and 13:00 being 1:00 PM.

Details

Filters are available including *Ticket Date Range*, *Commodity*, *Location*, and *Customer*. As filters are applied, the *Average Load- Gross Units* is calculated for the filtered data. The *Number of Tickets* also displays based on filters selected.
