

# Grain Ranking Dashboard

Last Modified on 06/22/2022 11:01 am CDT

## Purpose

The Grain Ranking dashboard provides a customer ranking based on a date range and has an option for the dashboard to be based on Dollars or Units.

## Details

The date range is based on Settlement date. Filter by selecting a Commodity, Location, or Customer and the rest of the dashboard filters. The dashboard is based on Settlements to Deferred Payments, Installment Sales, and Priced. Settlements with a source of *Deferred Payment* or *Installment Sale* are excluded.
