

# Enabling New Analytics Dashboard Categories - SKY Analytics

Last Modified on 09/07/2022 4:31 pm CDT

Analytics now has new categories - *Accounts Receivable*, *Agronomy*, and *Energy*. Dashboards from the *Customer* section that fit under these categories have been moved.

If these categories are not visible, a Company Admin may need to enable them by going to *Admin*, selecting the pencil, and then toggling on the new categories.
