

Field History Dashboard

Last Modified on 08/16/2022 11:13 am CDT

Purpose

The Field History dashboard shows a history of dollars spent on farms/fields per acre. A breakdown of the fields is displayed as well as money spent on each crop. Details are available at the bottom for more information.

Details

Filter by *Customer*, *Farm*, *Field*, *Start Date*, *End Date*, and whether or not to *Include Invoices with blank fields in details*.

Customer Name	Tommy Tester
Farm	
Field	
Start Date	8/16/2021
End Date	8/16/2022
