

# Allow Signature on Save of Invoice

Last Modified on 11/11/2024 3:57 pm CST

Locations with the *Allow Signature on Save of Invoice* box checked found on the *Invoice* tab at *Setup / Location Preferences* will see a **Capture Signature** button on the *Print Invoice Documents* window which allows signatures to be captured and viewed in Windows Agvance, SKY Customer, and Grower360.

**Print Invoice Documents**

Select Range of Invoices

Location: 00MAIN

Starting Inv#: 1200900

Ending Inv#: 1200900

Include Voiced Invoices
