

Grower360 Assembly Sheets with Scale Tickets Report

Last Modified on 10/03/2022 3:46 pm CDT

Run the Assembly Sheets with Scale Tickets report on demand.

Setup

For this report to work, a Grower360 user must be selected at *Hub / Setup / Company Preferences* on the *API* tab in Agvance.

Process

1. In SKY, go to *Admin / Grower360 / Grain* and turn on *Assembly Sheets with Scale Tickets* under *Grain Reports*.
2. Indicate the appropriate *Agvance Forms* and desired *Report Criteria*.

Assembly Sheets with Scale Tickets

Agvance Forms:

Form 3
 Form 4
