

# Grower360 Legal Documents - SKY Admin

Last Modified on 02/27/2024 3:44 pm CST

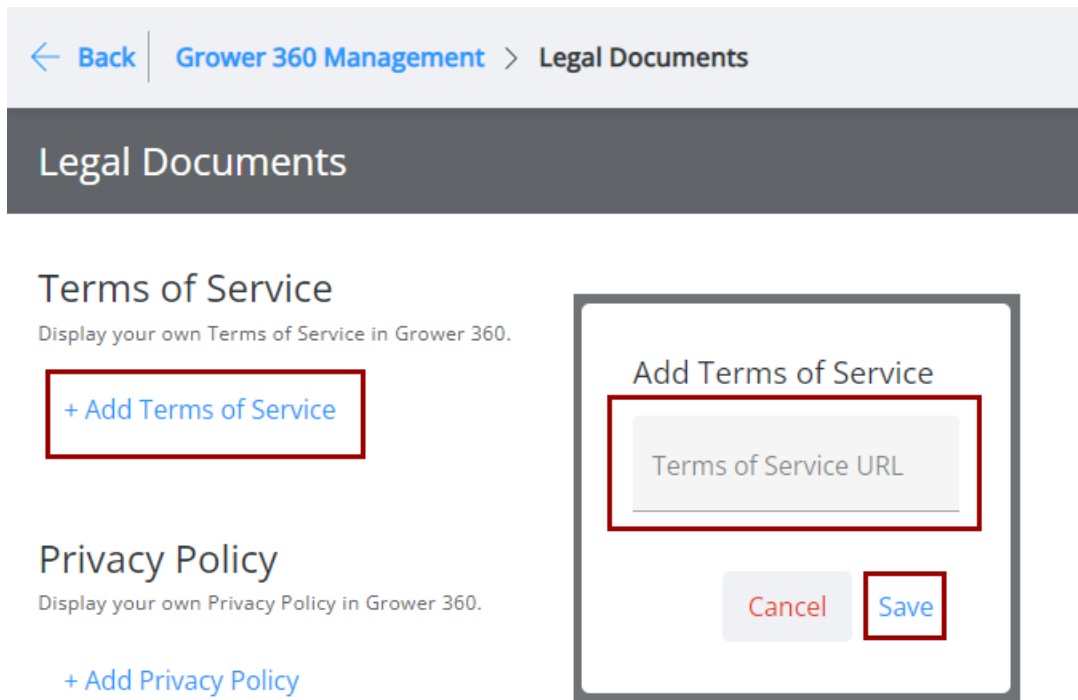

Customize the *Terms of Service* and *Privacy Policy* displayed in Grower360.

**Note:** This will replace the CURRENT *Terms of Service* and *Privacy Policy*.

In SKY Admin, select *Grower360* from the left navigation menu then select **SETUP** on the *Legal Documents* card in the *Setup* section.

Choosing + Add Terms of Service or + Add Privacy Policy displays an area to enter a URL leading to the respective information.

Once the URLs are saved, the information can be accessed under the user drop-down in Grower360.
