## Purpose

The Online Payments Scheduled dashboard lists online payments that have been scheduled.

## Details

This dashboard displays the customer the payment is for, when the payment was initiated/when it will post, and the payment amount and what Invoices it will pay if applicable.

The *Scheduled Date* is the date the payment was entered online. The *Posting Date* is the date the payment is expected to post.

## Payment Statuses

- **Posted** – The payment was successfully scheduled online and has been processed and posted in Agvance.
- **Pending** – The payment was successfully scheduled online but has yet to be processed and posted in Agvance.
- **Failed** – The payment was either unsuccessfully scheduled or failed to post in Agvance.
