# Booking Analysis Dashboard

Last Modified on 03/13/2025 10:10 am CDT

## Purpose

The Booking Analysis dashboard shows the Booking information broken down by *Department*, *Year*, *Location*, *Customer*, *Product*, and *Salespeople*.

Quantities and Dollars are for the full amount of the Booking - not the remainder. Deleted Bookings are included in totals.

## Details

Filters include *Show by Quantity or Dollars*, *Group Selection* (*Department Name*, *Department Category*, or *Department Sales Class*), *Department*, *Booking Fiscal Month*, *Year*, *Number of Records to display (500 max - filtered by rank based on number of rows selected)*, and *Booking Paid*.
