

Plan Usage Dashboard

Last Modified on 05/16/2023 3:54 pm CDT

Purpose

The Plan Usage dashboard can be used to identify what percentage of Bookings and Blend Tickets are using Plans that were created.

Details

This dashboard shows how many Plans were created during the current period based on the selected date range and for the prior period which is one year prior to the selected date range. The dashboard also shows the number of Bookings and Blend Tickets for the selected date range and how many of those used a Plan.

Filter by *Beginning Date*, *Ending Date*, *User ID/Name*, *Location*, *Blend Ticket Loaded*, *Department - Booking Only*, and *Sales Class - Booking Only*.
