Products - Agvance SKY Customer

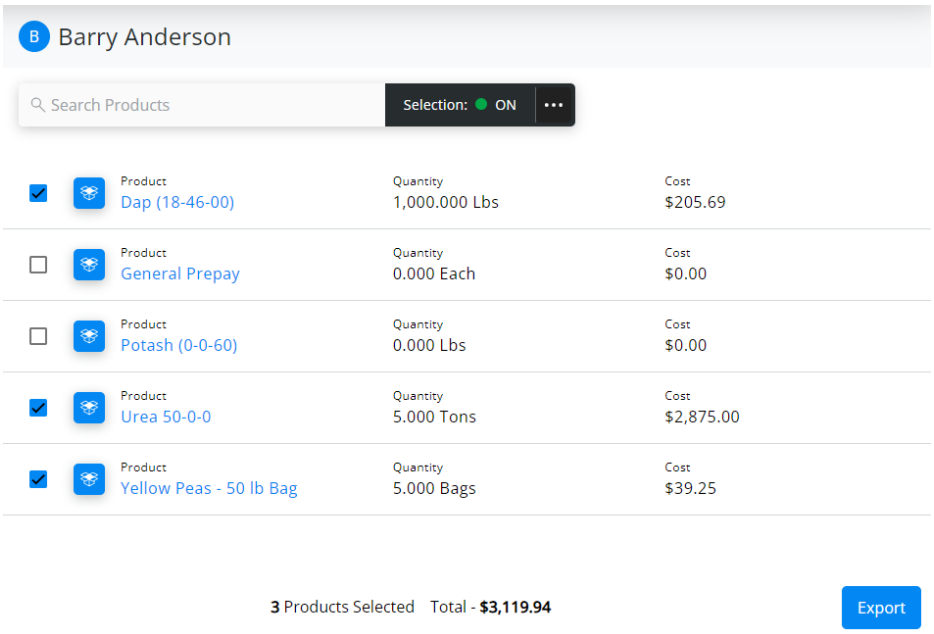

Last Modified on 07/06/2026 11:13 am CDT

Review Products purchased by a Customer by selecting *Products* from the left navigation.

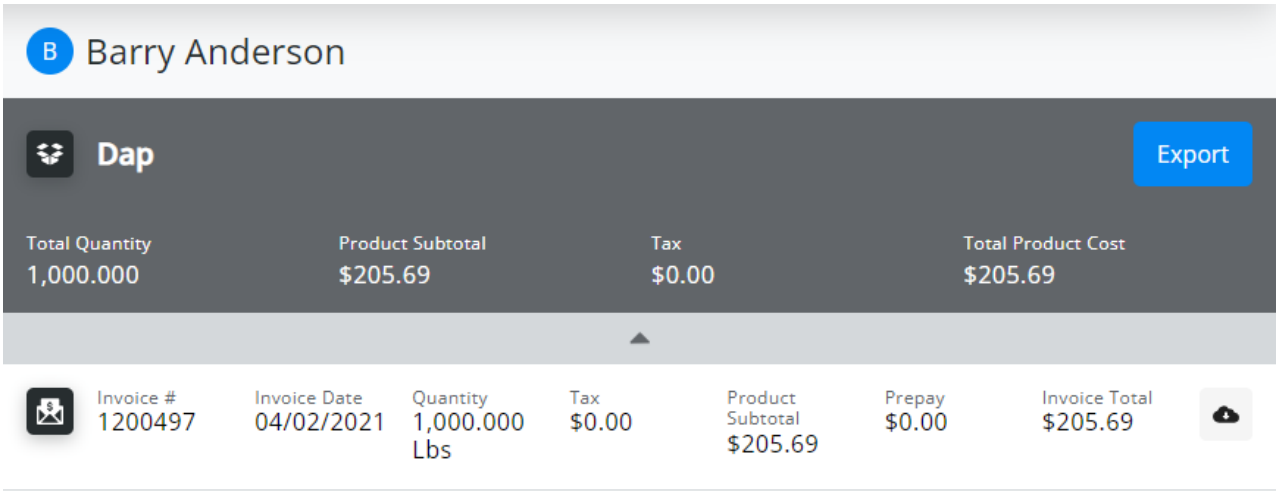

Products can be filtered by selecting the **Filters** icon and specifying a date *Range* or *Destinations*.

Use the *Search* bar to locate specific Products. Turning the *Selection* mode to *On* gives the capability to select Products individually or choose the **Ellipsis** on the *Search* bar to *Select All* or *Deselect All*.

Once Products are selected, the total items and dollar amount displays at the bottom of the screen. Choose **Export** to export the selected items to a CSV.

Select a Product to view additional information such as the Invoice where the Product was included. A PDF of the transaction can be viewed or downloaded by selecting the **Download** icon. Additionally, the transaction information can be exported to a CSV file by selecting **Export**.
