Accounting

G/L

- **FTM-3580 / Bank Deposit Screen** – *User ID* and *User Name* columns are now included at *G/L / Bank Deposit*.

Accounting Reports

- **FTM-3429 / Sales Analysis Manufactured Ingredients** – A new option to expose the manufactured ingredients is available on the Sales Analysis report at *A/R / Sales* by selecting the *Show Ingredients* option. With this selected, a new sub report is displayed with the same options as the existing Gross Margin calculations but at the raw ingredient level.
