

# API 7.0.24980 | 02.20.2024

Last Modified on 02/21/2024 9:48 am CST

- **FTM-3630 / GET Scale Ticket** – A new public GET endpoint to Scale Interface was added that will allow for the pulling of Agronomy Scale Interface records. This response is limited to 100 records using pagination. Optionally filter by *lastmodifiedutc*, *Ticket Number*, *Location ID*, *Customer ID*, and a *Ticket Date Range*.
