

Contract Status Dashboard - Energy Force

Last Modified on 04/22/2024 3:04 pm CDT

Purpose

The EF Contract Total Dollars/Gallons dashboard can be used to determine how many gallons and dollars are remaining on Customer Contracts.

Details

The Printer icon can be selected to navigate to a printer-friendly version of this dashboard. The *Number of Results* filter can be used to show the desired number of records for Location and Customer. The *Select Field* filter can be chosen to show results by *Dollars* or *Quantity*. Other filtering options are *Contract Date*, *Bill Type*, *Tank Type*, and *Division Name*.
