		PropaneL	Propane - Livestock	\$1.85	\$2.37	21.84%	\$0.00

Purpose

The Manufacture Price Book dashboard shows the calculated cost and prices (Raw Products) of Manufactured Products (Finished) along with the % margin ($(Price - Cost)/Price$). *Manufactured vs. Calculated (Raw)* shows the prices on the Manufactured Product (Finished) vs. the calculated (Raw) prices on the ingredients.

Details

Select the cost to use for the dashboard and optionally filter by Department or Product.
